Laboratory Chairs

With great durability, our lab chair has a heavy duty back stem from seat extending to backrest ensuring firmness and structural stability. Featured with injected moulded polyurethane seatpan and backrest, with permanent contact seat mechanism, this lab chair is designed to provide firm and optimal postural support at all time.

Choose from a wide variety of styles and ergonomic features for comfort and utility.

CEM SERIES

Features

- Low back polyurethane moulded high chair with aluminium alloy footrest
- 5 prong pedestal heavy duty metal alloy base with nylon castors
- Great mobility
- 360° rotatable
- Adjustable backrest, seat and foot ring height

Application

- Industrial R&D lab
- School lab
- Clean room

Warranty

One year on hydraulic system.
